## Welcome Note

We are thrilled to welcome you to this relaxed performance of

***Hansel, Gretel & The Witch***

***#CivicSpooktacular***

This welcome pack contains **information about the venue, images of the cast and a brief synopsis of the show.**

Our aim is to provide information in order to ensure our audience members know what to expect and feel comfortable in this space.

## ***This is a Relaxed Performance***

That means you should feel free to leave the auditorium if you want. You can come back to your seat when you're ready!

It's okay to make noise, shuffle, cough, fidget or whisper if you need to. That's fine with us. And we've asked for the other audience member's understanding too.

We will also reduce the noise and the amount of bright and flashing lights during the performance. There will be a smoke machine.

The show is 60 minutes long, with no interval.

**This is the front door, where you will enter.**

**Just inside, you will find the Box Office.**

**This is where you will collect your tickets.**

**Our friendly  
Front of House  
staff will  
be here to  
welcome you  
on the day!**

**Some may be in  
costume and some  
will be wearing  
The Civic logo.**

**Feel free to talk to  
them if you have  
any questions or  
concerns.**

## ***What is the Show About?***

Wiggles has been put in charge of Hansel and Gretel, and what does he do? He lets them wander into Creepy Pines all by themselves — what could possibly go wrong?

Of course, Hansel and Gretel get lost and are lured into the witch's house, made entirely of candy (yum!). And that's where the spooky fun begins! Will Wiggles come to the rescue? Or will our dazzling fairy, Flutter McSparkles, swoop in to sprinkle some magic and save the day?

Get ready for a wild adventure full of twists, surprises, and maybe even a little fairy dust!
